Case No. **3:22MJ075**

**Filed Under Seal**

**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, **Brad M. Dorman**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since August 2017. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the illicit use of the United States Mails in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").
2. Based on my prior training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a particular package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On February 8, 2022, the U.S. Postal Inspection Service intercepted a package (hereinafter “the Package”) at the Dayton, Ohio Processing and Distribution Center (PDC). The Package is a USPS Priority Mail Express Padded Flat Rate Envelope, bearing tracking number EI078820312US, mailed from Post Office 85284, postmarked February 7, 2022, with the following address information:

**Sender:** Linda Holmes  
617 W Rivera Dr  
Tempe, AZ 85282

**Addressee:** Deandrea Robinson  
1908 Warder St  
Springfield, OH 45503

Through training and experience as a Postal Inspector, I know that the Phoenix, Arizona area has been long known to be a drug source location.

4. I performed a check in the CLEAR database for the addressee’s information on the Package of “Deandrea Robinson, 1908 Warder St, Springfield, OH 45503.” CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no “Deandrea Robinson” associated with 1908 Warder St, Springfield, OH 45503

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “Linda Holmes, 617 W Rivera Dr, Tempe, AZ 85282.” According to CLEAR, there is no “Linda Holmes” associated with 617 W Rivera Dr, Tempe, AZ 85282.

6. On February 10, 2022, at the request of the U.S. Postal Inspection Service, Detective Anthony Hutson of the Montgomery County Sheriff’s Office conducted a narcotics-detection canine “free air” check of the outside of the Package. An Inspector was present during said check. Prior to conducting the “free air” check, the Package was placed in a room with multiple similar and like packages. As set forth in the attached affidavit of Detective Hutson, “Hank” alerted positively for the presence or odor of a narcotic or other controlled substance exuding from the Package. “Hank” is a properly trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the Package's address information, including (i) no association between the sender and return address, (ii) no association between the addressee and recipient address, and (iii) the positive alert of the narcotics-detection canine are all indicative of and consistent with Drugs and/or Proceeds being present in the Package.

Therefore, a search warrant to open the Package is requested.

Further, your affiant sayeth naught.

Respectfully submitted,

  
Brad M. Dorman

U.S. Postal Inspector

OFFICER AFFIDAVIT

I, Detective ANTHONY HUTSON, am and have been employed by the MONTGOMERY COUNTY SHERIFF'S OFFICE since 1998. Among other duties, I am currently the assigned handler of narcotics detection canine "HANK" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Cocaine, Methamphetamine, Heroin and their derivatives

On 02/10/2021, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "HANK" did alert to and indicate upon: [describe item]

USPS Priority Mail Express Tracking # EI078820312US

TO: Deandrea Robinson  
1908 Warder St  
Springfield, OH 45503

FROM: Linda Holmes  
617 W Rivera Dr  
Tempe, AZ 85282

Which, based upon my training and experience and that of "HANK", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
